

Dear community business,

We are Carnarvon Ball Club and we are fundraising to purchase new scoreboards for our baseball kiddos in your community for Spring 2024.

We are offering a chance to advertise your business on the outfield fence of our baseball fields. This will be the first time in a very long time we've had this opportunity. We have a company that will provide the signs/graphic design and we will install the sign.

For comparison, one sign in the outfield of the Victoria Harbourcats field costs \$5000 so this a great deal, you'll be supporting the community your business is in, and you'll get some local advertising!

Costs:

1 sign is \$665; 2 signs are \$1230 (save \$100); 3 signs are \$1795 (save \$200)...These costs are all-in so this includes the sign, graphic design, and installation of a 6 foot wide sign!

Locations:

Your advertising signs will go up at Firefighter's Park in Oak Bay, Allenby Park in Saanich, and/or Carnarvon Park in Oak Bay.

******Steps we need from you:**

1. Send an email to Lindsay Swan & Rick Humphries at carnarvonballsponsorship@gmail.com with your name/phone # saying you want a sign & how many.
2. Once we connect and receive your payment, we will give you the email address of our graphic designer to send your logo and/or business name and/or a tag line to. Expect to get a 'proof' of how it will look so you can confirm it to print. The advertising signs are 6 feet long!
3. That's it! Your signs will go up in March/April and then just wait back and receive all the new customers and the high fives from your community 😊

--Our current signs are ready to be put out to pasture.
